Who We Are

Pujaso Technologies is a young company In Delhi, India's Capital City. We Pujaso Technologies say we're young because we're peopled by young, energetic, curious and committed minds who are excited about solving complex business problems, ethically. Conceived with a vision to leave behind a legacy of transformed peoples as an organization, we place a high emphasis on working in partnership with customers.

We change to match you needs as we say we very well understand the consequences of this and we actually do this to satisfy our client needs. Our professionals take the time to understand your business needs, suggest reengineering processes and develop appropriate, cost effective solutions.

Our experience has taught us that to provide any solutions; we need creativity and lots of inspired thinking, our experienced professionals along with the 'let-us-do-it' attitude of the fresh talent is constantly pushing the horizons our values of Integrity, Service, Candor, Kindness, Growth and Continually Increasing Competence governs our behavior towards all our stakeholders.

VISION, MISSION & VALUES...

Vision & Mission

Our vision and mission is an amalgamation of our corporate philosophy and our motto of providing next generation IT services. To provide world class IT & IoT Services and web development services; to contribute tangibly in overall success of our customers and provide highest Return on Investment to our customers. Quality, Customer satisfaction, Transparency and Corporate Responsibility are the pillars of our vision and mission and form the cornerstone of our approach that we bring to every engagement. In short our Vision & Mission can be easily summed up as "To use our industry insights and domain experience to our advantage and provide innovative, high quality, superior and cost effective solutions that brings overall growth to our customers."

Values

At Pujaso we believe when creativity, technology and marketing combine through strategic planning incredible results are achievable. With the best interest of our clients in mind, our actions are always focused on conversions and business growth.
